### **Mission of IAO**

**Provide year-around, supervised instruction in alternative athletic and educational activities for students at the 3rd to 8th grade level within the community of Incline Village and North Tahoe. Our emphasis is to facilitate "inclusive" programs that provide opportunities for children from families of all income levels and ethnic backgrounds.**

*Help Incline Village kids stay active after school...  
and out of trouble!*

- ◆ Kids in the USA watch up to 5 hours of television per school day,
- ◆ Eight forest fires within Incline Village during 2004 are believed to be the work of unsupervised local school-age youth,
- ◆ A majority of Incline youth have working parents or single parents... after school the kids either go to an unsupervised home or hang out on the streets.

*Together, we can make a difference!*
